

We have all heard that if Facebook were a country it would be the third largest in the world – with it being double the population of the USA. Twitter too, has some pretty impressive massive stats – such as, that there are one billion tweets every six days.

With all this social media goings on, we thought that it was about time to get a piece of the action and join the party, so to speak. After all, we know you've wanted to "like" us for a long time, and, surely you've wanted to "follow" us too.

So you can now like, share, follow, tweet and interact with us on [Facebook](#) and [Twitter](#) .
Simply, click the links and then we're sure you know what to do!
