

Well, we are half way through our time here at the [T.R.A.F.F.I.C. Conference](#) and Cabana time in Fort Lauderdale and it has already been proven to be well worth the trip. Thursday night we went to the Full Moon Party here at the Ritz Carlton with Howard & Barbara Neu, Rick & Alina Schwartz, Ron & Diana Jackson and Ray Dillman & Kim Ann. The weather was perfect and the company even better!

Friday was the first of the Cabana Days. We met with several wonderful people and had a great time of networking and catching up. We had dinner with a good friend which was so lovely. Then it was off to Mike & Judy Berkins Suite with the Neu's, Schwartz's, Jackson's, Ray & Kim and also Dr Chis Hartnett and his wife Linda.

Saturday brought more of a crowd and our Cabana seemed to be the place to be as there was always people buzzing around hearing about what we do and how we can assist them with their domain asset management. It brought home the fact that we work in a global industry as we were rubbing shoulders with people from all over the world.
