

In response to one of the most exiting events of the year ParkLogic is proud to announce that we will be joining the DomainFest conference in Santa Monica California. Running from January 31st to February 2nd at the Fairmont Miramar Hotel this spectacular event is not one to be missed.

ParkLogic's professional and enthusiastic team at the conference will be; founder Michael Gilmour, Laci Nagy (operations manager) and Tim Gilmour (client communications). ParkLogic is sponsoring DomainFest and will have a booth so that new and existing customers can meet the team and see the ParkLogic platform in action.

So whether you have recently joined the industry or are an experienced domainer don't hesitate to check us out. We will be happy to provide a demonstration to show how ParkLogic can benefit you and your domains.
